We are accredited by the National Association for the Education of Young Children (NAEYC). It is considered the "gold" standard when it comes to child care. It is a professional membership organization that works to promote high-quality early learning for all young children, birth through age 8, by connecting early childhood practice, policy, and research. We advance a diverse, dynamic early childhood profession and support all who care for, educate, and work on behalf of young children.

"Partnering with families to nurture and educate tomorrow's leaders"

Learn more about our program through the 10 Standards of High-Quality Early Childhood Education (according to the National Association for the Education of Young Children):

1. Positive Relationships

- A friendly, caring, and encouraging environment for families
- Children learn conflict resolution and to identify their feelings

2. Curriculum

- "Creative Curriculum" used for infants through pre-k
- Physical, Cognitive, Language, and Social/Emotional Development

3. Effective Teaching Approaches

- Built on the Iowa Early Learning Standards created by the Dept. of Education
- Teacher created environments that promote learning through play, individually and in groups

4. Ongoing Assessments

- Assessing the areas of Social & Emotional, Motor, Language, and Intellectual Development
- Observations, Brigance Screen, Devereux Early Childhood Assessment, Creative Curriculum Developmental Continuum
- Conferences with parents to explain the assessment results

5. Nutrition and Health

- Nutritional meals and snacks are provided to children, infant to school age
- Regulated by the U.S. Dept. of Agriculture's Child and Adult Care Food Program
- Hand washing and diaper changing procedures to insure sanitary conditions
- Sick Child policies to reduce the spread of illness

6. Teaching Staff

- Staff trained in First Aid, CPR, Universal Precautions, Mandatory Reporting of Child Abuse
- Professional Development and training in the areas of Early Childhood Development, Teaching and Education, Health and Safety, and Nutrition
- Formally educated teachers

7. Family Relationships

- Open door policy for parents
- Daily notes home, infants through two year olds
- Parent-Teacher Conferences for all ages

8. Community Relationships

- Non-profit child care serving the Cedar Valley since July of 1993
- Cooperation with Child Care Resource and Referral, the Area Education Agency, and local School Districts
- Field trips to local businesses, museums, parks, plays, and petting zoos

9. Physical Environments

- Developmentally appropriate toys and materials
- Safe and fun outdoor learning environments
- Indoor large motor activities

10. Leadership and Management

- Board of Directors consists of parent and local business representatives
- Yearly strategic plan includes suggestions from parents, staff, administration and board members
- Program Director and Assistant Program Director at each center lead daily functions and create the learning community
- Administration Team facilitates in providing quality care at all centers and consists of the Executive Director, Finance Director, Education Director, Office Director, and Personnel Director
