Amy – westpd@cuccc.org

Nikki – westapd2@cuccc.org

Notes from the Director:

- Thank you to everyone who has donated items from the back to school lists. It is very much appreciated!
- As the weather starts cooling off please bring a jacket for your child.
- Reminder schedules are due by 10 am on Tuesday mornings.
- If you are going to be more than an hour late or not coming at all please make sure to email or call.

Thank you!

Pumpkin slime – Did you know you can make slime with real bits of pumpkin?! Oh yes, you can. If your kids are up for a messy outdoor activity, this is a good one. You'll need: a small baking pumpkin, 1/4 cup liquid starch, 1/2 cup Elmer's clear washable school glue, 1/2 cup water. Cut the top off your pumpkin and loosen up the seeds and guts. Mix the water (room temp) with the glue in a separate bowl and stir. Pour the liquid starch directly into the pumpkin. Pour the glue and water mixture into the pumpkin and get your hands in there and mix it up! Knead well to improve consistency (rub a few drops of liquid starch on your hands to keep them from sticking). And now you have a pumpkin full of slime!
